(Additional gloves and socks may be purchased from your home school for an additional fee.)

Fees do not include mandatory marching band shoes or additional classroom fees (see below). Shoes must be purchased from your home school, but can be worn over multiple seasons. All first year marchers will need shoes. The cost of shoes is \$40.

All payments will be made through your home school's booster organization:

Lawrence Central Performing Arts Association (LCPAA) or Lawrence North Performing Arts Association (LNPAA).

The payment schedule below indicates minimum payments by stated dates unless payment arrangements are made through your home school PA secretary..

- Performers across all performing arts groups will not be able to participate in any 2021-2022 performing arts ensemble, production and/or activities unless balances are paid in full by the end of the 2020-2021 school year.
- Marching Pride performers who have not made payments are welcome to attend practices, but may not actively participate until payments are up to date
- If terms of prior payment plans were not followed or a balance is owed, no payment plan will be considered for that individual. We can no longer extend credit to those who do not pay. If the performer is paid up to date by the end of the current school year and has faithfully followed all payment plans during prior years, a payment plan may be considered.
- If you have any questions or concerns about the above payment schedule, please share them with a director.

Additional Classroom Fees & Instrument Rental

Separate class fees will be charged for concert band & guard as determined by the home school.

Payment Plans & Financial Assistance

Payment plans may be arranged with the band director at your high school providing the first two bullet points above are completed. **In order to maintain a spot in the ensemble, all scheduled payments must be made on time as indicated above or as indicated by a payment plan.** Fundraising and other financial assistance opportunities are offered at both LC and LN to supplement payments for performing arts programs.
