New Background Check Process

- MSDLT has recently changed how they obtain and process background checks for volunteers, and we are no longer utilizing the paper background check forms.
- Instead of paper background check forms, volunteers will be required to complete a Smartsheet form, which will cover the volunteer at all schools their child/children attend, for that school year.
- Links for the 2021 – 2022 school year are now available on the [Parents](#) page of our website.
- **If you plan to volunteer with MPLT at any time this year, you will need to complete this form prior to volunteering with the band. If you have turned in a paper background check already this season, you will still need to complete this online form.**
